Total	62	58	93.55%	4	6.45%	55	88.71%

Because the mission of the Pontifical College Josephinum is to prepare men for the Roman Catholic priesthood, retention rates most typically reflect the number of men who, with their Bishop, Vocation Director, and Formation Advisor, determine that they are not called to the priesthood at the time of their withdrawal. Only graduates of the School of Theology are eligible to be ordained.
