“He prefers to let himself be contained in little things, unlike ourselves, who always want to possess something greater. To be attracted by power, by grandeur, by appearances, is tragically human. It is a great temptation that tries to insinuate itself everywhere. But to give oneself to others, eliminating distances, dwelling in littleness, and living the reality of one’s everyday life: this is exquisitely divine.”

WELCOME

PARENTS AND FAMILIES

September 27 – September 29, 2024

FROM THE RECTOR/PRESIDENT

I want to welcome all of you to Parents' and Family Weekend, the Josephinum's annual celebration of family life! I hope that all of you enjoy your time on our campus and that we can come to know one another better and grow closer to God. We want to share a part of our life with you because you have shared an important part of your life with us. Thank you for the gift of your son, brother, or friend and the support that you give him. We recognize that the presence of the Holy Spirit, which has brought him to these doors, began within the walls of your home. Saint Pope John Paul II often referred to the family as "a little Church" or "the first Church." Within the family, prayers are first learned, virtues are taught by example, and the spiritual life begins. It is fitting that we can share this special place with you because you have given us the gift of a seminarian who, as an integral part of our community, makes this place the unique and holy place that it is.

Sincerely yours in Christ,

Very Reverend Steven Beseau, STD
Rector/President
